

# DISCOVERING GOD’S WILL

Proverbs 3:5-6

**[Intro]** What is one important biblical principle that we should know *before* we want to discover God’s Will for our life?

**[Exposition]** Three Biblical Principles concerning *Discovering God’s Will*

**I.** \_\_\_\_\_ (Proverbs 3:5)

How does the Bible support this principle? — Read Isaiah 55:6-7; Romans 12:1-2; Hebrews 11:6.

How does the Bible communicate **the Will of God** to us in Three Ways?

**II. The More Familiar You Become with \_\_\_\_\_  
The Easier It Will Become for You to \_\_\_\_\_** (Proverbs 3:6a)

Study carefully the word “**acknowledge**” (v. 6). What does it teach you about your current relationship with Jesus?  
— See also John 15:5, 7.

**[Takeaway]**

**III.** \_\_\_\_\_ (Proverbs 3:6b)

Study the phrase “**make straight**” (v. 6). How is its *true* meaning different from your own consideration?

Take some time to pray & respond to God together in your small group — that SGPC may devote themselves to God’s Word, **seeking God first** above His will and obeying in spite of consequence.
